

INTERNATIONAL BODYGUARD ASSOCIATION

The education and training of professional Bodyguards is the core focus and driving force behind IBA Australia since the introduction of the program by the Australian Institute of Public Safety (formally Advanced Techniques Training) in 1994. Our members have operated in all areas of the security industry working within Security Operations, Bodyguarding and Risk Management offering specialist services to clients who have range from Private Citizens and Business Owners to Corporate and Executive Identities including Managers, Directors, CEO's, Entertainers and VIP personalities.

South East Asia - 2010

Diploma in Bodyguard Skills- SE Asia Program : July 5th – 9th (5 Days) - Price : \$ TBA

For the first time IBA Australia will take "TEAM AUSTRALIA" to South East Asia and participate in a Bodyguard High Risk Situation Program including Tactical Firearms conducted by our Director General, The Baron James Shortt.

We will be looking to arrive in Bangkok no later than the evening of 4th July for collection early Monday morning (5th July) for the drive to the training location. We will be dropped off at Washington Square Bangkok on Friday 9th July. We will need to arrange our own accommodation for the 4th and 9th while in Bangkok, however accommodation is included on base during the program.

Minimum course numbers are 10 with a maximum of 20 participants (International) for the course, so we will need to enrol and pay a deposit ASAP. The course fees will be posted when received.

For more information about becoming apart of IBA Australia in SE Asia, please visit www.iba-australia.com or contact our Australian National Director on the details below.
